1. Pool and Hot Tub (Spa) Heating

The pool and spa are heated by a natural-gas heater controlled from the lanai panel. Heating is **NOT included** in the nightly rate and is billed as an optional add-on. Activation must be requested at least 24 hours in advance via the FunStay concierge so the heater can be primed.

Heating cost and warm-up times by season

Season	Months	Daily cost (USD)	Warm-up time	Target temp
Winter	Dec–Feb	\$35 / day	12–18 h	86°F (30°C)
Spring	Mar–May	\$28 / day	8–12 h	86°F (30°C)
Summer	Jun–Aug	\$18 / day	4–6 h	88°F (31°C)
Fall	Sep–Nov	\$25 / day	8–10 h	86°F (30°C)

Spa (jacuzzi) operation: The jacuzzi shares the same heater system. Once the pool is heated, the jacuzzi reaches operating temperature (102°F / 39°C) in approximately 1 hour. Use the white button on the lanai panel to activate jets — they run for 30 minutes automatically. Spa hours are restricted to **8:00 AM – 11:00 PM** per resort regulations.

Safety: Children under 14 must be supervised at all times. Glass containers are prohibited in the pool and spa area. Do not enter the pool during thunderstorms.

2. WiFi and Smart Home Devices

WiFi network: **FunStay_Guest** · Password: **Orlando2026!**

The router is located in the master bedroom closet. If you lose connection, unplug the router for 30 seconds and plug it back in.

Smart TVs (Samsung) in living room and all bedrooms are pre-logged into Netflix, Disney+, and Hulu under FunStay's account. Please do not change account settings.

3. Climate Control (AC)

The Nest thermostat in the hallway controls all zones. Recommended setting: **72°F (22°C)** in summer, **68°F (20°C)** in winter. Setting the AC below 68°F may freeze the unit and trigger a service charge.

4. Trash and Recycling

Trash pickup at ChampionsGate is on **Tuesday and Friday mornings**. Place the gray bin at the curb by 7:00 AM. Recycling (blue bin) is collected on **Wednesdays**.
